Developer

### GET CREATIVE

Bazaar is a design studio, photo editor and video editor combined in a one-stop app for all your design needs. Create AI art, stories, logos, flyers, posters, cards, collages, invitations, memes, profile pics, product photography (white background an option), stop motion videos, GIFs, stickers, avatars and works of art. From online selling to digital marketing to social media posting, Bazaar is here to help, no design experience required.

### POWERFUL DESIGN & EDITING TOOLS

- Instantly remove the background from any photo with the magic eraser
- Remove objects and people from any photo using the remove tool
- Place products and people in stunning AI-generated backgrounds
- Turn your text into fantastic images using the AI art tool
- Replace anything in a photo with a simple text prompt using the AI replace tool
- Turn blurry photos into HD, boost resolution and quality with the enhance tool
- Create mind-blowing AI avatars of you, your cat or dog
- Cut out photos and videos like a pro with crop, scissors, eraser and shape cut-out tools
- Create your own WhatsApp stickers
- Enhance, adjust, and customize photos and videos: change exposure, contrast, saturation, vibrance, warmth, tint, shadows, highlights, fade, sharpness and blur
- Add up to 100 photo layers and 5 video layers: each layer is independently editable and all changes reversible
- Apply fabulous filters on photos and videos to add a "wow" effect
- Create custom edge styles for photos and videos with the outline and shadow tools
- Combine photos and videos with mind-blowing blending effects
- Sketch and draw freely with the drawing tool
- Curve your text to match an arc or a circle
- Edit and modify text with alignment, letter and line spacing
- Perfectly align photos, videos, text, and any element with auto-snapping
- Position elements precisely with the nudge tool

### BEAUTIFUL CONTENT YOU'LL LOVE

- Save time with beautiful templates made by designers
- Choose from thousands of amazing backgrounds, stickers and shapes
- Engage your audience with awesome animated stickers and GIFs
- Add stunning photo and video overlays
- Browse through a great collection of fonts or add your own
- Use photos and videos from your albums, camera, files, stock or the web

### WHEN YOU'RE READY

- Save as an image with an opaque (JPG) or transparent background (PNG)
- Save as video or as animated GIF
- Share your creations on social media or send as text or email
- Organize your design projects into folders

### UPGRADE TO BAZAART PREMIUM

Create professional looking designs in seconds with Premium!

- Save time with magic background removal
- Create without limits with a huge collection of templates, graphics and fonts
- Get full access to all advanced tools and VIP support

Bazaar Premium offers two subscription options:

\$11.99 per month

\$71.99 per year

Prices may vary by location

Should you choose to upgrade to a Premium subscription, payment will be charged to your iTunes account at confirmation of purchase. Subscription automatically renews unless auto-renew is turned off at least 24-hours before the end of the current period. Account will be charged for renewal within 24-hours prior to the end of the current period.

You may cancel automatic renewal and manage your subscription by selecting Manage App Subscriptions in your iTunes Account settings and selecting the subscription you want to modify. Any unused portion of a free trial period, if offered, will be forfeited when you purchase a Premium subscription, where applicable.
